FINDING OUR OFFICES

Approximately halfway between the White House and Dupont Circle, DeSales Street is a short block connecting Connecticut Avenue NW and 17th Street NW between L and M Streets. The 1725 Building is next door to ABC News and across the street from the Mayflower Hotel's side entrance.

ARRIVING VIA THE METRO

From the Red Line/Farragut North Metro Station: Exit the station and find your way to the northeast corner of Connecticut Avenue and L Street. Walk north on Connecticut one block and turn right onto DeSales (cutting between the Mayflower Hotel and Filene's Basement). We are located halfway down the block on the north side of the street.

From the Blue and Orange Lines/Farragut West Metro Station: Exit from the east end of the station marked "17th and I Street". Walk north on 17th along Farragut Park until you reach the intersection of K Street and Connecticut Avenue, the thoroughfare that runs diagonally from the northwest corner of the park. Head northwest on Connecticut for two blocks and then turn right onto DeSales (cutting between the Mayflower Hotel and Filene's Basement). We are located halfway down the block on the north side of the street.
